10095436765	212914378	2018-07-03 12:04:58	2018-07-03 12:06:13	06/26/2018								8		Less presentation fro elected more talking More involved introductions - activities to learn quickly who's in the whole room. Faster mechanisms to get ideas out during discussion	Thanks for having these and for listening! So important at this time in our community's development. Love BOISE!	
10095434260	212914378	2018-07-03 12:03:36	2018-07-03 12:04:47	06/26/2018								8		Some initial structure for how to make the conversation productive before asking us to do that. Maybe a moderator plus note taker.	Good to have the tables change the reporter. Have more of these- build on them, have some further outside of Boise and hen offer a time for all groups to come together.	
10095431873	212914378	2018-07-03 12:02:14	2018-07-03 12:03:32	06/26/2018								8		More time spent on discussions - add a segment focused on solutions to some of the core issues. Provide participants of blueprint boise in advance.	The refreshments were excellent- thank you! The setting, design of the evening and facilitation was excellent. Look forward to more of these. Thanks!	
10095428673	212914378	2018-07-03 11:59:35	2018-07-03 12:01:46	06/26/2018							7			More time to list concerns Scribe generalized our concerns often instead of using specific words we used Thanks for putting the growth workshop online for responses This is a good first step but the policy discussions this fall will be very important.	Need to do these in every neighborhood in the city, over the next 6 months. People here were great but probably not representative of all Boise demographics.	
10095424657	212914378	2018-07-03 11:57:45	2018-07-03 11:59:29	06/26/2018								8		A little more focus on developing lists and less on longer discussions. People do really need to vent but maybe a little more focus on topics and narrower on discussion.	Have more of these workshops- make them continuing and maybe have them focused on certain things like transportation or affordable housing or planning.	
10095420813	212914378	2018-07-03 11:56:11	2018-07-03 11:57:28	06/26/2018								8		Separate time after for table open discussion about individual "soap boxes" so the group discussion time is not eaten up with that.	Noticed a couple facilitators making facial expressions in reaction to comments. I understand its extremely tough not to, but making sure they're aware of that.	
10093459355	212914378	2018-07-02 9:56:08	2018-07-02 9:58:29	06/26/2018								8		Great introduction to Boise Citizen involvement. HOwever, not everyone is "seated at the table" more inclusive and diverse representation is needed to actively reflect ALL of Boise's populations and have their point of views and concerns heard!	Good job :) Have more meetings with different population groups. Go to the people to their neighborhood and according to their schedules.	
10093451950	212914378	2018-07-02 9:52:12	2018-07-02 9:53:39	06/26/2018							7			I would have liked to see more specific questions about how we might go about solving the problems that we foresee growth bringing. It is easy to criticize, but encouraging citizens to come up with productive solutions may engage people's preconceived notions about these issues.		
10093449569	212914378	2018-07-02 9:51:27	2018-07-02 9:52:07	06/26/2018										10	I appreciated the opportunity to add input. No complaints.	Will be looking forward to follow through.
10093448455	212914378	2018-07-02 9:50:00	2018-07-02 9:51:25	06/26/2018								8		Have the event where the empty closest parking lot can be used. Discouraging to those who are mobility impaired (BSU) - told to park in the stadium lot.	Appreciate the opportunity and the refreshments.	
10093446161	212914378	2018-07-02 9:49:33	2018-07-02 9:49:55	06/26/2018								8				
10093445482	212914378	2018-07-02 9:48:21	2018-07-02 9:49:28	06/26/2018								8		Well organized, good facilitation. I appreciated starting with group norms. Offer more in various neighborhoods. Reach out to neighborhood associations to hold in place workshops	I wish we could get folks to the table from our more diverse, lower socio-economic population.	
10093443534	212914378	2018-07-02 9:46:52	2018-07-02 9:48:16	06/26/2018										10	Tell wait-listers to just show up!	Really great! Looking forward to the city sharing all of this info with us and working from there.
10093441133	212914378	2018-07-02 9:44:46	2018-07-02 9:46:46	06/26/2018										10	Less time talking about how sweet Boise is and more problem solving the challenging issues. Kristine Barney was fabulous!	Well done Boise! Keep it up and please make these forums more than just good public relations, let them make a true difference in shaping Boise's healthy growth!
10093437913	212914378	2018-07-02 9:36:43	2018-07-02 9:44:41	06/26/2018								8		Really great food, especially veggies! Better recording - video audio recording as transcription misses much.	Affordable housing allowing MICRO housing to preserve local food gardens, integrated Lower traffic, lower highway/road/(?) by more carpools, electric, railways, integrated work play, entertain (?) where we can walk, bike and share cars more. Light rail! Lower commute in single cars.	
10093437404	212914378	2018-07-02 9:39:28	2018-07-02 9:44:20	06/26/2018								8		Less time from Mayor and Council.	I am very skeptical that our input will be taken seriously by city leaders who seem to be suffering from election-mandate hubris. City leaders must learn systematic development of informed consent with citizens.	
10093429706	212914378	2018-07-02 9:38:58	2018-07-02 9:39:26	06/26/2018							7					At some point I'd like to hear proposed solutions to problems we've identified.
10093428826	212914378	2018-07-02 9:38:19	2018-07-02 9:38:54	06/26/2018								9		Let us know what happens next. Will we (community) be a part of the solution.	Appreciate this opportunity.	
10093425140	212914378	2018-07-02 9:34:54	2018-07-02 9:36:38	06/26/2018								9		Shorter intro, more conversation. It would be nice to dig deeper on a few issues, figure out why, explore impact and have some debate/caucasing. It can be easy for these concerns to feel like buzz words.	It would be great to have follow up education/information on these topics.	
10093422177	212914378	2018-07-02 9:32:30	2018-07-02 9:34:52	06/26/2018								9		I wish the mayor and city council members (all, not just Elaine) had been here to listen.	Great process; now I'd like to see some effort to address our concerns in a meaningful way. Great facilitator - kept us on track. Cares are not being respectful of bikers. Many cars are running stop sings on Jefferson at 2nd, 3rd, and 4th Streets. We need driver education about cyclists, right hand turns, left hand turns on red. Scary as a cyclist.	
10093418154	212914378	2018-07-02 9:30:19	2018-07-02 9:32:26	06/26/2018								9		I look forward to more narrow focus groups. There were so many topics if was hard to think of them all or delve deep in such a short time.	I really appreciated the format. Facilitators helped keep on track. Enjoyed working with people from different backgrounds and experiences. I hope there are more of these and more widely advertised.	
10091928722	212914378	2018-06-30 18:48:59	2018-06-30 18:52:25	06/26/2018								8		Even with a facilitator the loudest voice gets heard in lui of others at table.	Make sure there is a map to the table. Should continue with problem solving phase. . .	
10091927210	212914378	2018-06-30 18:42:52	2018-06-30 18:48:52	06/26/2018								8		Given us an idea about the agenda/q's to be discussed in order to consider them and come prepared with feedback (input); Some work better w/prep, some do well on-the-fly :)	The brochures gave me a ton of questions I wanted to discuss- but didn't get the chance to discuss. Also, Jen is/comes across as assuming and entitled. . .not a very good representative. (Mayor Bieter and Councilwoman Elaine were a better fit)	
10090931652	212914378	2018-06-29 15:11:45	2018-06-29 15:13:16	06/26/2018										10	I am pleased with our discussions and attendance.	We must be mindful of transportation, traffic, housing and diversity! Well done, City of Boise! Thank you for listening to us.
10090929683	212914378	2018-06-29 15:08:42	2018-06-29 15:11:42	06/26/2018								7		Good format. Ask what people are willing to do. . .vote, pay, etc. Harness the energy of those in the room.	Do more education and outreach re: need for ability to fund (ie local option, etc) in order to provide solutions to problems- go to people - other neighborhoods	
10090903067	212914378	2018-06-29 14:48:38	2018-06-29 14:51:31	06/26/2018								8		I think it was a great discussion. Having a more clear description of how the concerns will be addressed and described by city leaders would help. For example, have city leaders provide a report of how the concerns have been addressed a certain time after the report of concerns have been addressed. Thank you.	Some members filled out comment cards prior to the end of the meeting. Waiting until the end may be more beneficial for the program. Thank you.	
10090896536	212914378	2018-06-29 14:40:04	2018-06-29 14:46:50	06/26/2018					5					The population at this event was overwhelming inner-urban/north end and young. The greatest derth was in representatives from West Boise and suburbia generally. Bias was evident against planned subdivisions and "nimbyism". Big elephant in the room for the future is the growing issue of homelessness. The avatar of Boise's failure in this regard are the rocks under the freeway on Americana blvd. That is "avoidance" not a solution.	This is unfortunately "cafe light". In 1976 the Ada Council of governments undertook an extended cafe process involving 125 organizations and many months of meeting- and developed "the concept plan"	
10090886929	212914378	2018-06-29 14:27:44	2018-06-29 14:39:58	06/26/2018					5					Less time on instructions Time could have been spent on issues of concern Topics too broad, focus on an issue More input from facilitators	City budget process isn't addressing priority items from city No relief in sight from property taxes Keep taxation low. People can be property taxed until their home is no longer "affordable". With increased property values come increased property taxes. Only the rich and the subsidized remain. Keep Boise's middle class.	
10090869341	212914378	2018-06-29 14:24:48	2018-06-29 14:27:33	06/26/2018						6				Smaller groups Not enough depth on specific subjects. Just enough info that the city will do what they already planned anyway.	Increased property values come increased property taxes. Only the rich and the subsidized remain. Keep Boise's middle class.	
10090865322	212914378	2018-06-29 14:19:28	2018-06-29 14:24:43	06/26/2018				4						Too much time wasted with intros and commentary. Wasted time talking about how great Boise is. WE KNOW THAT!		

10090857695	212914378	2018-06-29 14:15:27	2018-06-29 14:19:24	06/26/2018	5		I think it was challenging for our facilitator - I think it would be beneficial to use neutral facilitators. I think it would foster better conversations and it would capture the true purpose of an event like this. A printed agenda at each table.		I would love to see an opportunity to participate in a design- thinking type event to dive into creative solutions for the top issues identified at this event. I appreciated this opportunity- I gave it a 5 because I think there's room to improve. I hope to see more events like this.
10090851585	212914378	2018-06-29 14:12:01	2018-06-29 14:15:17	06/26/2018		7	We identified problems, but weren't asked for input on solutions. We don't want the city to come tell us what they are going to do to solve the problems; we want to be part of the solution. How do we become part of the solution?		The city seems to be chasing big iconic projects where they can get a photo-op at the ribbon cutting rather than investing in neighborhoods. We don't need sports complexes or big flashy libraries, we need improved parks and common/shared spaces.
10088562274	212914378	2018-06-28 9:39:24	2018-06-28 9:40:31	06/26/2018		8	Good method to discuss community issues. Should be the method we use to discuss - baseball stadiums, transit, housing, etc.		See above. Educate and engage the citizens in city issues - to determine priorities and get direction on solutions. Great location for public involvement.
10088560146	212914378	2018-06-28 9:38:41	2018-06-28 9:39:22	06/26/2018		7	Maybe a little more focus on specific areas of growth. This seemed sort of scattershot.		Need to engage the public in more things like this. And please listen. Much appreciated opportunity. Would like to see this implemented for more focused high priority issues/planning.
10088558667	212914378	2018-06-28 9:33:54	2018-06-28 9:38:32	06/26/2018		8	We identified concerns, but didn't discuss good examples of how to overcome them.		
10088556320	212914378	2018-06-28 9:32:39	2018-06-28 9:37:17	06/26/2018		9	Perhaps 1 more hour- OR have a 1 day simposium with experts vs real citizens as a thread. Healthy debate and opportunity to open minds- coming to table with curiosity and not judgement. Start faster, time wasted at beginning. Try one of these in low income areas at a non 9-5 times like at 8-10 pm or digital.		Great beginnings - prelude of Boise demographics.
10088554059	212914378	2018-06-28 9:33:57	2018-06-28 9:36:04	06/26/2018		8	10 Great!		City staff as facilitators may lead to bias. It always exists though. Thank you. Really enjoyed it! Maybe should have started with concerns so people leave on a positive note.
10088550128	212914378	2018-06-28 9:32:42	2018-06-28 9:33:53	06/26/2018		8	We needed more time to really talk about everything. Self selecting population.		Really interesting to talk to everyone and hear their opinions.
10088547812	212914378	2018-06-28 9:31:36	2018-06-28 9:32:35	06/26/2018		8	I'd like to have seen more thematic discussion - transportation, housing, big project growth etc.- all need their own time.		Good facilitation/process Great opportunity to hear other people's points of view. need to take this out to neighborhoods so that it is not self selecting.
10088546532	212914378	2018-06-28 9:24:28	2018-06-28 9:31:54	06/26/2018		8	Control of repetitive feedback from tables. Slightly less up front individuals and their stories and more about the city's story - growth, boom cycles etc.		Thank you for holding these sessions it is a starting place for interactions with government. Next is thoughtfully including this feedback with planning and policy.
10088499136	212914378	2018-06-28 9:06:13	2018-06-28 9:07:45	06/26/2018		8	Allow time for each person to have conversations with other people in the room, not just the individuals at their table.		
10088495830	212914378	2018-06-28 9:05:26	2018-06-28 9:06:10	06/26/2018		9			I appreciate the forum and the fact that the city wants to hear from its residents.
10088491725	212914378	2018-06-28 9:02:56	2018-06-28 9:04:09	06/26/2018		7	Time for each question was limited. Fewer questions?		Attendants often seem unfamiliar with City's existing plans. Mayor's reference to "Blueprint Boise" doesn't mean participants know what he's talking about.
10088487681	212914378	2018-06-28 8:52:29	2018-06-28 9:02:10	06/26/2018		8	More time. I truly felt we had much more to discuss. More focused questions. Not just concerns but specific areas of concern. Some time with the Mayor or City Council listening probably would have been okay.		You should do more. I would have come even without the treats though they were very welcome since this ran over dinner time.
10088458118	212914378	2018-06-28 8:41:35	2018-06-28 8:47:13	06/26/2018		9	This was an excellent activity. These could be done more often would be my suggestion. Possibly some written ground rules on the table to start.		Excellent facilitator at our table. Well trained and thoughtful.
10088446740	212914378	2018-06-28 8:39:48	2018-06-28 8:41:20	06/26/2018		8	Out of all ideas/comments- go on to pick 2-3 and drill down even deeper for a short period of time. Well done. Facilitator was very, very good (Biff Jones). Diversity of people and comments was great. Very respectful.		May add another hour to the program.
10088443648	212914378	2018-06-28 8:39:02	2018-06-28 8:39:45	06/26/2018		8	Format was good and seemed to work well. Wish we could have mingled with others besides just those at our 10 table.		Loved the opportunity! Hope to get more opportunities like this in the future. Thanks
10088442122	212914378	2018-06-28 8:38:09	2018-06-28 8:38:59	06/26/2018		9	I appreciate the city listening and the facilitation, venue and food were unexpectedly wonderful. Thank you.		Boise is more than downtown. I appreciate meeting people from all around Boise.
10088439222	212914378	2018-06-28 8:36:21	2018-06-28 8:37:30	06/26/2018		8	What will happen with the ideas that came out of tonight's discussion? Who will be analyzing? What change is to be expected from what was said tonight?		Thanks for the nice food/beverages and for keeping the meeting timely and controlled! I think setting the stage as a "starting point" was great. i'm leaving wishing we could have dove deeper into some issues, but remembering that frame helps. Thank you for putting this on it's greatly appreciated.
10088436994	212914378	2018-06-28 8:34:53	2018-06-28 8:36:19	06/26/2018		8	10 I thought everything ran smoothly and everyone had equitable time to talk and share. I thought the workshop was pretty well done but I looked around and saw over 90% white people. I think outreach specifically to minority and underrepresented populations is warranted and this probably needs to involve going into their neighborhoods for location and offering a variety of time options. Citizen input shouldn't be skewed only towards majority opinion.		I think this is a great start and would like the city to keep thinking of innovative ways to solicit feedback- perhaps internet, mail, or phone surveys as well as workshops.
10087653131	212914378	2018-06-27 21:38:16	2018-06-27 21:42:11	06/26/2018		9	Would love to have an opportunity to learn more about some more specifics of conversations /thoughts/plans the city is having on these issues. I know these things are on their radar- are there initiatives or goals the city has that are in alignment with what the city hears tonight that we can support? I'm sure this will be shared at future meetings.		Good amount of time for discussion and liked hearing from all the tables.
10087649424	212914378	2018-06-27 21:35:15	2018-06-27 21:38:08	06/26/2018		8	Lots time taken up by the mayor and council woman at the beginning. I appreciate their presence and support of community but we could have used more of that time for the actual engagement.		More of these! I think the city planning needs more meaningful public input. I liked the conversational style with moderator/facilitator.
10087646724	212914378	2018-06-27 21:34:11	2018-06-27 21:35:12	06/26/2018		10	More time for discussion, particularly time for the entire room to interact.		Thank you for this opportunity to address our concerns.
10087645707	212914378	2018-06-27 21:30:55	2018-06-27 21:34:04	06/26/2018		10	Well organized! I would like to know, have an update on, things that are already in the plans for dealing with Boise's growth.		I hope that community engagement opportunities continue. I appreciate that participants will receive a copy of the report. Finally, I appreciate the City's efforts to keep Boise wonderful.
10087635927	212914378	2018-06-27 21:21:32	2018-06-27 21:23:12	06/26/2018		8	This process does not generate ideas that would be heard by city council or where will make a difference.		It may be possible to confuse this activity with actually considering residents concerns.
10087633592	212914378	2018-06-27 21:18:46	2018-06-27 21:20:32	06/26/2018		10	Engage under-represented communities, provide accessibility for a diverse population (socio-economic, racial, etc)		More workshops, more transparency, more opportunities for engagement for more people (surveys, calls, mail-in, etc)
10087631951	212914378	2018-06-27 21:16:17	2018-06-27 21:18:41	06/26/2018		7	The introduction to the session took 30 minutes- a quarter of the time. 10 would have been better. Would have like a more focused session with fewer topics and more depth. I thought the reporting out was too repetitive and time consuming. BUT I enjoyed the people at my table and the conversations.		I would provide specific experts on homelessness, healthcare and transportation. Participate in these discussions to provide real info on these topics.
10087629723	212914378	2018-06-27 21:14:32	2018-06-27 21:16:10	06/26/2018		9	10 I think this format was great for starting this conversation as a community.		Very well done. Best way to engage.
